(2021)

SKILLS

Frontend: React.js, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js

Database: MongoDB, MySQL, PostgreSQL

Tools: VS Code, Git, GitHub, Postman, Canva, MS Word

Programming Languages: C, JavaScript, Python

PROJECTS

TOGGLENEST – TEAM TASK & WORKFLOW MANAGEMENT PLATFORM

DEC 2025 – JAN 2026

Tech Stack: React.js, JavaScript, Node.js, Express, MongoDB, Tailwind CSS

Developed a full stack team workflow management platform with a modern, responsive UI and scalable backend. Implemented secure JWT authentication, role based access, and RESTful APIs. Built Kanban style task management, real time activity logging, and notification systems. Emphasized modular, maintainable code with reusable components and context based state management.

- Admin dashboard for project, task, and user management
- Real-time notifications and activity tracking
- Secure user authentication and role-based authorization

AGROREACH: MODERN AGRICULTURAL MARKETPLACE WEBAPPLICATION

SEPT 2025 – OCT 2025

Tech Stack: React.js, TypeScript, Tailwind CSS, Node.js, Express, MongoDB

Developed a full stack e-commerce platform for agricultural products, featuring a modern, responsive UI and robust backend. Implemented secure authentication, role based access, and RESTful APIs. Built with modern UI/UX principles, smooth transitions. Integrated real time cart management, and order processing. Emphasized modular, scalable code with context based state management and reusable components.

- Admin dashboard for product, order, and user management
- Secure user authentication and authorization
- Automated email notifications and newsletter subscription

EXPERIENCE

FRONTEND DEVELOPER INTERN AT SCJ ENTERTAINMENTS –

(SEPT 2025 – OCT 2025)

- At SCJ Entertainments, I worked on developing and improving the frontend of the company's official website using React.js and Tailwind CSS.
- I was involved in building responsive UI components, integrating them with backend APIs, and ensuring a smooth, user friendly experience across devices.
- This internship helped me strengthen my understanding of modern frontend workflows, collaboration with design and backend teams, and overall web performance optimization.
