EXPERIENCE

FRONTEND DEVELOPER INTERN AT SCJ ENTERTAINMENTS

(SEPT 2025 – OCT 2025)

- At SCJ Entertainments, I worked on developing and improving the frontend of the company's official website using React.js and Tailwind CSS.
- I was involved in building responsive UI components, integrating them with backend APIs, and ensuring a smooth, user friendly experience across devices.
- This internship helped me strengthen my understanding of modern frontend workflows, collaboration with design and backend teams, and overall web performance optimization.

FULL STACK DEVELOPER AT METAMINDS STUDIO PVT. LTD.

(NOV 2025 – PRESENT)

- At MetaMinds Studio, I am currently working on building scalable web applications using Next.js, TypeScript, React, Tailwind CSS, Strapi, and NestJS.
- I develop responsive, high-performance user interfaces, integrate RESTful APIs, and contribute to full-stack architecture with a focus on scalability, clean code, and seamless user experience.
